Outcomes Health Information Solutions

Kathie Lehner Joins Outcomes as Vice President of Operations

Albuquerque, NM, (February 8, 2010) -- Outcomes Health Information Solutions, LLC, a leading healthcare data auditing and analytics company, announced today its appointment of Kathie Lehner as the new Vice President of Operations. Ms. Lehner oversees all operations in the Albuquerque, NM office. Outcomes' CEO, Gary Velasquez said, "We are excited to have Kathie as part of the team. She has the experience and knowledge to help us to continue to expand in the West."

Kathie Lehner, a New Mexico resident, has more than 25 years experience in healthcare and call center operational leadership roles. Prior to joining Outcomes, Ms. Lehner worked for LifeMasters Supported SelfCare, Inc. where she directed the clinical operations team. She served in executive management positions at Sprint PSC Wireless, AT&T Wireless, Accenture Consulting, and Westinghouse Broadcasting and Cable. Ms. Lehner attended the University of Albuquerque and the University of New Mexico where she majored in Business Management.

Since joining Outcomes, Ms. Lehner has been working closely with the local NM officials such as the Albuquerque Economic Development Department and the Bernalillo County Commission. Art De La Cruz, Chairman of the Bernalillo County Commission says, "We are excited about this innovative and growing healthcare company selecting Albuquerque for its newest expansion. Bringing dynamic new businesses to Bernalillo County is critical to ensure diverse employment opportunities within our community."

About Outcomes Health Information Solutions, LLC:

Outcomes Health Information Solutions, LLC (www.outcomesinc.com) is an industry leader in healthcare data acquisition, auditing, and analytics. Outcomes provides end-to-end solutions to health plans, provider groups, hospital networks, and clinical research organizations.
