Outcomes Health Information Solutions Hires Senior Vice President of Human Resources

New HR executive brings over 20 years of experience to position

Alpharetta, GA (May 10, 2010) – Outcomes Health Information Solutions, LLC, a leading healthcare data auditing and analytics company, has appointed William Robinson as the new Senior Vice President of Human Resources. Mr. Robinson has over 20 years of experience in human resources, staffing and recruitment. “Bill’s global strategic business experience and demonstrated ability to lead transformational change make him uniquely-qualified to take on this important role at Outcomes,” Outcomes’ CEO, Gary Velasquez said, “His experience will be instrumental as we work to further optimize our people resources and continue to drive innovation and growth across the company.”

Prior to joining Outcomes, Mr. Robinson was the Divisional Human Resources Leader at General Electric (GE) Enterprise Solutions where, at its formation, provided HR support to a \$12 billion portfolio of five global stand-alone GE businesses. He also held executive HR leadership roles at several of GE’s businesses including the Clinical Diagnostics Division, Healthcare, Energy Services, and GE Healthcare Asia. Mr. Robinson is recognized as a strong leader in the industry and has won many awards such as GE’s Chief Executive Officer Award, the Energy Diversity Award, and served as Enterprise Solutions’ Staff Champion, helping to increase capability and growth infrastructure in emerging markets. Mr. Robinson helped to successfully increase resources in many countries such as the U.S., India, China, the Middle East, Africa, and Latin America.

In his role at Outcomes, Mr. Robinson is responsible for human resource functions including: talent initiatives, leadership development, diversity and inclusion, and compensation benefits oversight to over 500 employees in five locations with access to over 4,000 project-based employees. “I’m excited to be a part of this leadership team. Outcomes is a very exciting company - providing tremendous value to customers and employees,” said Mr. Robinson, “I look forward to continuing the momentum by helping to build and support this talented team. We’re investing in resource talent today to help support growth for tomorrow.”

The appointment of Mr. Robinson is part of the new stage of growth at Outcomes, which includes operational center expansions, enhanced clinical auditing programs, new product launches, and the strengthening of the executive leadership team. Outcomes’ primary headquarters are in Alpharetta, GA with additional offices in Charlottesville, VA, Stanford, KY., Tarpon Springs, FL, and Albuquerque, NM.
