

Tom Scully, Former CMS Administrator, Speaks on How Changes to the CMS Five-Star Quality Rating Program Will Affect Medicare Advantage Plans

Presented by Outcomes Health Information Solutions, LLC

The Patient Protection and Affordable Care Act (PPACA) and the Health Care and Education Reconciliation Act of 2010 are set to drastically change the healthcare industry's landscape. We invite you to join us to hear industry expert, Tom Scully, former CMS Administrator, provide an in-depth look at the CMS Five-Star Quality Rating Program and how the recent legislation will affect health plans. He will discuss proactive measures that will allow organizations, like yours, to increase revenue while improving patient care. In addition, industry thought leader, Scott Weiner, Vice President of Client Services at Outcomes Health Information Solutions, LLC, will provide the session's introduction and overview.

Featured Speaker:

Tom Scully, Senior Counsel, Alston + Bird LLP

Tom Scully, former Administrator of the Center for Medicare and Medicaid Services (CMS), is currently Senior Counsel in Alston and Bird's Washington, D.C. office. His practice focuses on healthcare regulatory and legislative matters, as well as advising clients on health policy and strategies for healthcare delivery. Mr. Scully is also a general partner at Welsh Carson Anderson and Stowe in New York City which is the nation's largest private equity investor in healthcare. He sits on the boards of Select Medical Corp, Ardent Healthcare, SHPS, Universal American Corp and Solantic. He formerly served on the boards of DaVita HealthCare and Oxford Health Plans. In addition, he served as President of the Federation of American Hospitals from 1994-2001.
